Useless Information

The Statue of Liberty's fingernails weigh about
one hundred pounds apiece.

Health Fact

Skin is a protective covering for the body.
It is living tissue that can repair itself. It
is important to take good care of the skin
on the inside and on the outside.

If you know of any 4 year olds, born 9/1/05
to 8/31/06, that would like to go to Pre-Kdg.
next year, please call the office and register.
