When you know there are changes to your child's arrival/departure, please communicate with the school before 3:15pm to ensure everyone gets the message.

(This is not in reference to unavoidable changes or emergencies; we understand those situations cannot be helped.)

Legally, we **must** have word from a parent/guardian to:

- hold them off the bus if they normally ride
- put them on the bus if they don't
- send them on bus to the Middle School

If your child doesn't ride the bus, you can park on the west side of the school to pick them up. Students will not be released in the bus loading/unloading zone.
